SCHOOL IN THE USA

- In the United States, we ride a **yellow school bus** to go to school. School starts at 9.
- During assembly, every morning, we **pledge allegiance** to the **flag of the USA**.
- In my classroom, **pupils** work and learn together with the help of our **teacher**.
- We use **computers** to improve our skills in ICT. We go to the playground during recess.
- At 12, we have lunch. This is is my **packed lunch**.
